**Peer learning and presentation guidelines and report for FYBMS Foundation Course-I
2023-24**

Activity no 1: Peer learning and presentation guidelines - 10/10/2023

- 1) This project is a group exercise.
- 2) Students have to form a group of 4-6 for the purpose of this peer learning exercise.
- 3) Brainstorm and choose one topic for study and discussion within the group and register your topic with class representative (CR) by 12/10/23.
- 4) Initially each student has to study the chosen topic from various sources and write individual notes on the topic in their notebook.
- 5) Then in a group meeting, each student has to present their points from the written notes to the group.
- 6) Then one of the group members has to lead and compile all the points.
- 7) Finally the group has to make a presentation of their compiled collective study on the chosen topic, to the whole class 20th October 2023 in the regular lectures.

Report: Peer learning and presentation - 23/10/2023

Groups were formed by students and topics chosen by their groups ranged from Urban and rural characteristics of Indian Society, Causes and types of physical disabilities, Features of Indian Constitution and Rural local self-government in India.

Students learnt communication skills to discuss within groups, teamwork, brainstorm, deeper understanding of concepts from each other and present their ideas effectively through examples. 16 students participated in this activity.
