Report

Riddler's Library Club has organized Inter- collegiate Book Review competition on Saturday 2nd March 2023 in Room No 109. The competition was organized to inculcate reading habits, develop critical thinking skills and improving self confidence among the students and also to motivate the students to read more apart from academics.

Asst. Prof Mr. Tarun Kuckian and Mrs. Jayshree pawar was the judge of the event. The students were judged on 3 criteria's like Readability, Analysis and Originality.

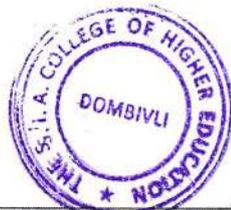

15 Students registered and participated in the competition (out of that 12 were Female and 3 were Male). Three students were selected as winners of the competition.

1. Miss Vaishnavi Shinde from The SIA College of Higher Education
2. Miss Aishwarya Shetty from SIES Sion
3. Arya Satam from The SIA College of Higher Education.

Winners Awarded with Certificate and Prize and all the participants awarded with Participation Certificate.

Students participated in the competition with a lot of enthusiasm and vigour

Eco club Orientation Report

Date: 18-7-2023

Orientation session was organized for the new batches of First year students of all courses for the academic year 2023-24 on 14, 15 and 17th July 2023.

Objective of Eco Club orientation:

- To sensitize students towards a healthy ecosystem.
- To educate the students of what eco club is and how it works.

Presentation was given by Second year students who have worked previously in the eco club. Students shared their experiences of participating in various activities and development of leadership skills.

Second year students informed about the various activities to be conducted under eco club i.e e-waste collection mega drive, Best out of waste competition, Eco friendly Ganesh idol making workshop and various awareness sessions of environment will be conducted.

Outcome:

First year students were encouraged to take part actively in both preserving the environment and spreading awareness about the hazards of degradation of the environment to the community.

Notice

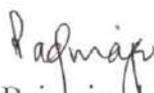

Date: 17/07/2023

This is to inform all the students that Eco-Club is organizing an activity to get garbage cleaned outside our college premises. Nature of this activity is to observe the waste lying outside our college premises, prepare reports and follow up with KDMC, Nagar Sevak and MLA.

All the interested students who want to utilise this opportunity and wish to learn procedure of civic administration are hereby informed to be present for the meeting on 19/7/2023 at 11.50 am in Room no 108.

To, Mr. Mahesh Patil
Dombivli (E)

Subject: Request to install Garbage bins at Sagarli, Dombivli

We want to draw your kind attention towards the prevailing unhygienic conditions in the locality of The SIA College of Higher Education, due to heaps of garbage lying on the streets of Sagarli, Dombivli.

We are attaching photos of the waste spilled on the road, which is causing harm to the health of our college community and residents, especially during the ongoing rainy season. We wish to inform you that a garbage collector truck comes daily to collect garbage between 7.30 am to 8.30 am. But once the waste is collected, again the public dumps their waste on the streets outside our college premises. Besides mosquitoes, flies and other disease carriers breed in these garbage dumps and pose a serious health hazard.

We request you to address this problem urgently and arrange to install a few garbage bins around our college premises and our locality. This will make it easier for the cleaning workers to collect the accumulated waste in an organized way.

We are also arranging a session on the topic 'Waste management for tomorrow' on 27th July 2023 at 11 am by Ms. Rashmi Joshi, an Environment Consultant. We invite you to this session to address our students on civic hygiene and public health.

For coordination and confirmation please reach out to the teacher incharge of this activity Dr. Shilpa Malani 9404179337 email id: bhagtanishilpa.k@gmail.com

Regards,

Dr. Padmaja Arvind

प्रती,
महेश पाटील
डोंबिवली (पूर्व).

विषय: सागर्ली, डोंबिवली येथे कचराकुंड्या बसविण्याची विनंती

सागर्ली, डोंबिवलीच्या रस्त्यावर पडलेल्या कचऱ्याच्या ढिगाऱ्यांमुळे एसआयए उच्च शिक्षण महाविद्यालयाच्या परिसरातील प्रचलित अस्वच्छ परिस्थितीकडे आम्ही आपले लक्ष वेधून घेऊ इच्छितो.

आम्ही रस्त्यावर सांडलेल्या कचऱ्याचे फोटो जोडत आहोत, ज्यामुळे आमच्या महाविद्यालयीन समाजाच्या आणि रहिवाशांच्या आरोग्यास हानी होत आहे. विशेषतः चालू पावसाळ्यात. आम्ही तुम्हाला कळवू इच्छितो की, एक कचरा वेचणारा ट्रक दररोज सकाळी 7.30 ते 8.30 या वेळेत कचरा गोळा करण्यासाठी येतो. पण एकदा कचरा गोळा झाला की, पुन्हा जनता आपला कचरा कॉलेजच्या बाहेर रस्त्यावर टाकते. याशिवाय, या कचऱ्याच्या ढिगाऱ्यांमध्ये डास, माश्या आणि इतर रोग वाहकांची पैदास होते आणि आरोग्याला गंभीर धोका निर्माण होतो.

आम्ही तुम्हाला विनंती करतो की या समस्येचे त्वरित निराकरण करा आणि आमच्या महाविद्यालयाच्या परिसरात आणि आमच्या परिसरात काही कचराकुंड्या बसवण्याची व्यवस्था करा. यामुळे सफाई कर्मचाऱ्यांना साचलेला कचरा संघटित पद्धतीने उचलणे सोपे होणार आहे.

आम्ही 27 जुलै 2023 रोजी सकाळी 11 वाजता पर्यावरण सल्लागार सुश्री रश्मी जोशी यांच्याकडून 'उद्यासाठी कचरा व्यवस्थापन' या विषयावर एक सत्र आयोजित करत आहोत. नागरी स्वच्छता आणि सार्वजनिक आरोग्य या विषयावर आमच्या विद्यार्थ्यांना संबोधित करण्यासाठी आम्ही तुम्हाला या सत्रात आमंत्रित करतो.

समन्वय आणि पुष्टीकरणासाठी कृपया या उपक्रमाच्या प्रभारी शिक्षकांशी संपर्क साधा

INVITATION LETTER

Dear Sir,

It gives us an immense pleasure to inform you that The S.I.A. College of Higher Education, Dombivli is organising a session on the topic 'Waste Management for better tomorrow' at 11 am on 8th August 2023.

We would like to cordially invite you as guest of honour on this occasion.

We would be deeply honoured to have you in our college.

Thanking you.

Regards

Rudraj

Report of Addressing garbage management outside SIA college

Date: 11-8-2023

Eco-Club of The SIA College of Higher Education, Dombivli (East) observed waste lying outside our college, prepared reports and followed up with KDMC officials and Nagarsevak to address the waste management.

The Commerce Department organised a session on the topic 'Waste management for better tomorrow' on Tuesday, 8th August 2023 at 11 am in the auditorium. Above officials were invited for the session and to conduct the meeting, brainstorm on the situation and to address it.

The aim of organising this session was to keep our premises and neighbourhood neat and clean.

Activity:

Students along with the teacher-incharge of the activity (Dr Shilpa Malani) observed waste lying outside our college, leading to hazard of spread of diseases like malaria and dengue. Students prepared reports and approached KDMC sanitary inspector Mr. Kismat Rao and Nagarsevak Mr. Mahesh Patil to propose garbage bins installed outside the college. A session on waste management was organised on 8th August 2023 at 11 am in the auditorium, where KDMC officials and Nagarsevak were invited to address the situation. After the session, a meeting was held where President Shri. K. V. Ranganathan, Principal Dr. Padmaja Arvind, Vice-Principal Mrs Booma Halpeth, Environment Consultant Mrs Rashmi Joshi, Nagarsevak Mr. Mahesh Patil along with Eco-Club committee members were present.

Eco-Club students attended the session on waste management and shared their learnings from the session to entire college students on 10th August 2023. Students spread awareness about the proper waste management and how each household is responsible for waste segregation.

Outcome:

Through this entire set of activities, students got encouraged to take part actively in both preserving the environment and spreading awareness about the hazards of dumping garbage at open spaces to the community.

Beneficiaries:

	Participants	Beneficiaries
Male	6	239
Female	9	313
Total	15	552

Minutes of various meetings held:

Meeting with Mr. Kismat Rao Sanitary officer on 21/07/2023 at 1.15 pm:

After discussing the situation of garbage outside SIA campus, with KDMC officer, he replied:

1. As we aim for Dustbin free KDMC, we arrange to do household collection.
2. We regularly sent garbage collector truck to collect waste.
3. People need to be responsible to segregate wet and dry waste. Because when our employees refuse to take mixed waste, people dump waste on the road.
4. We will provide Marshall within 10-15 days. Marshall is on contract basis. They will charge a fine of minimum Rs 200 who dump garbage on the road.
5. Till Marshall is arranged we will be provided with 1 labour from KDMC who will patrol till 2 pm outside our college premises and click photos of people disposing garbage.

Meeting with Ms. Sunita Patil, Nagarsevika on 25/07/2023 at 10 am at her office:

1. We met Ms Sunita to find a quicker solution.
2. She called KDMC officers in charge and told them to clean the entire Sagarli area by sending a total of 4 dumpers i.e. 2 dumpers on 26/7/23 and other 2 dumpers on 27/7/23. She also assured us that if garbage exits till 15/8/23 she will go on strike.
3. She also assured us that Mr. Mahesh Patil along with 3 party officials will join us and address our situation.

Meeting at The SIA College on 8/8/2023 at 12 noon:

A meeting was conducted where President Shri. K. V. Ranganathan, Principal Dr. Padmaja Arvind, Vice-Principal Mrs Booma Halpeth, Environment Consultant Mrs Rashmi Joshi, Nagarsevak Mr. Mahesh Patil along with Eco-Club committee members were present for the meeting.

Corporator expressed:

1. Awareness to be spread among people regarding waste management and disposal
2. Responsibility should be given to the housing society.
3. There should be an appointment of sweeper in every housing society.
4. Pamphlets distribution to be done to spread awareness
5. Society should take initiative so that the garbage should not be disposed at improper places

6. Compost pits to be created in housing societies
7. Corporations gives rebate to the public for waste management
8. Wet garbage should be disposed by using proper techniques and convert them into manure
9. Corporation will give guidance from time to time to the public regarding waste management

Report on Best out of Waste Exhibition cum Competition organized by Eco club

Considering the fact that "Recycling things is like magic that turns ordinary things into extraordinary," the Eco Club of the college organized the Best out of Waste exhibition cum competition on Monday, 28th August 2023 in the auditorium. The Best out of Waste simply means to make or to create pioneering and attractive things from materials we do not use anymore. In an initiative to generate a habit of using old things to create beautiful crafts among students, the Best out of Waste Competition was organized at the S.I.A. College of Higher Education. Students displayed their creative arts and crafts ideas by making a well with a water pump, a model of a tree using a coconut shell, purses and bangs using paper, toys, jewelry, flower pots etc. The creativity displayed by the students was mesmerizing. The competition promoted an artistic attitude in our leaders of tomorrow. In all 24 students including 7 males and 17 females participated in the competition. In all 159 Students (42 males and 117 females visited the exhibition)

Winner's list

Sr. No.	Name of the Student	Class	Position
1.	Miss. Lakshmi Kadam	T.Y.B. Com	First
2.	Mr. Bharat Achary	F.Y.B.M.S.	Second

ECO CLUB
Report
Eco Friendly Ganesh Idol Workshop

Date : 4/9/2023

Eco Club has organised Workshop on Eco Friendly Ganesh Idol with Sadu Mati on 4th September, 2023, Monday from 10am to 12pm in Room No.406 and 407.

There were 110 students registered for the workshop. The amount collected through Registration was Rs.5500.

Vice Principal Booma Halpeth Mam was present during inauguration session. Ms.Aarti Chaudhary (Corporate Trainer) conducted this session. She taught the participants how to make Ganapati Idol from Sadu Mati by live demonstration. She created group of 3 participants and asked them to create Ganapati Idol. She even guided the students during the session. All participants had wonderful learning workshop of creating Ganapati Idol from Sadu Mati. The Workshop ended by clicking pictures with beautiful Ganapati Idol and Vote of Thanks.

The Workshop was conducted in 2 batches.

First Batch from 10am to 11am and Second Batch from 11am to 12pm.

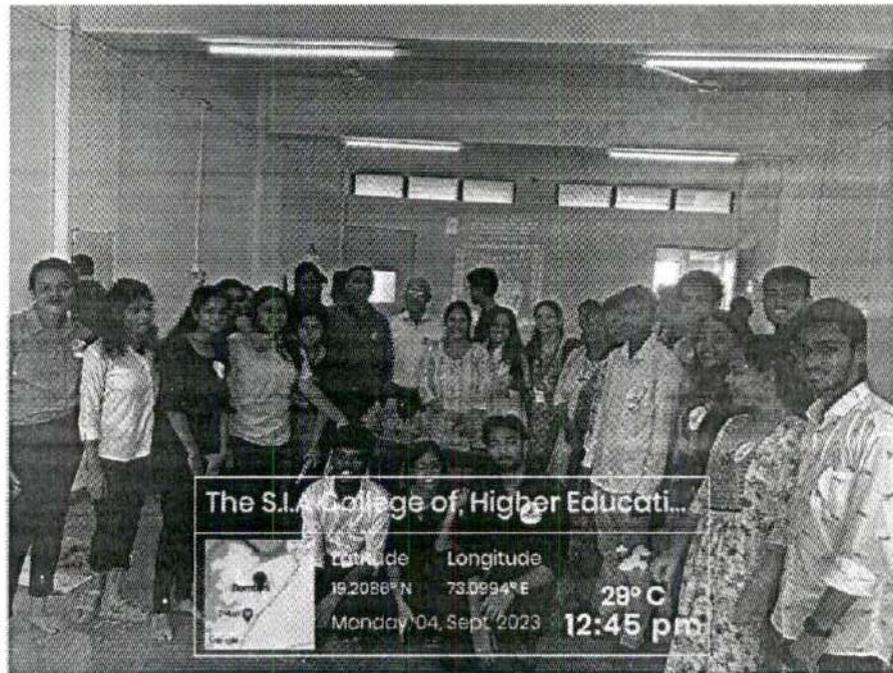

Students	No. of Participation
Male	33
Female	67
Total	100

Green Consumer Day Report

Date: 03-10-2023

Eco-Club conducted a 'Survey on Consumerism' for the entire week i.e. from 25/9/2023 to 30/9/2023 on account of Green Consumer Day which is celebrated on 28th September 2023.

Purpose of the activity:

- To identify consumption patterns by people in our surroundings, family and neighbourhood.
- To spread awareness and the importance of recycling, reusing and reducing waste material

Activity: A 'Survey on Consumerism' was conducted for an entire week, from 25/9/2023 to 30/9/2023 on account of Green Consumer Day which was celebrated on 28th September 2023. This survey was conducted to understand the existing consumption pattern of people around us. This exercise can allow us to highlight the problems of consumerism and its impact on the environment.

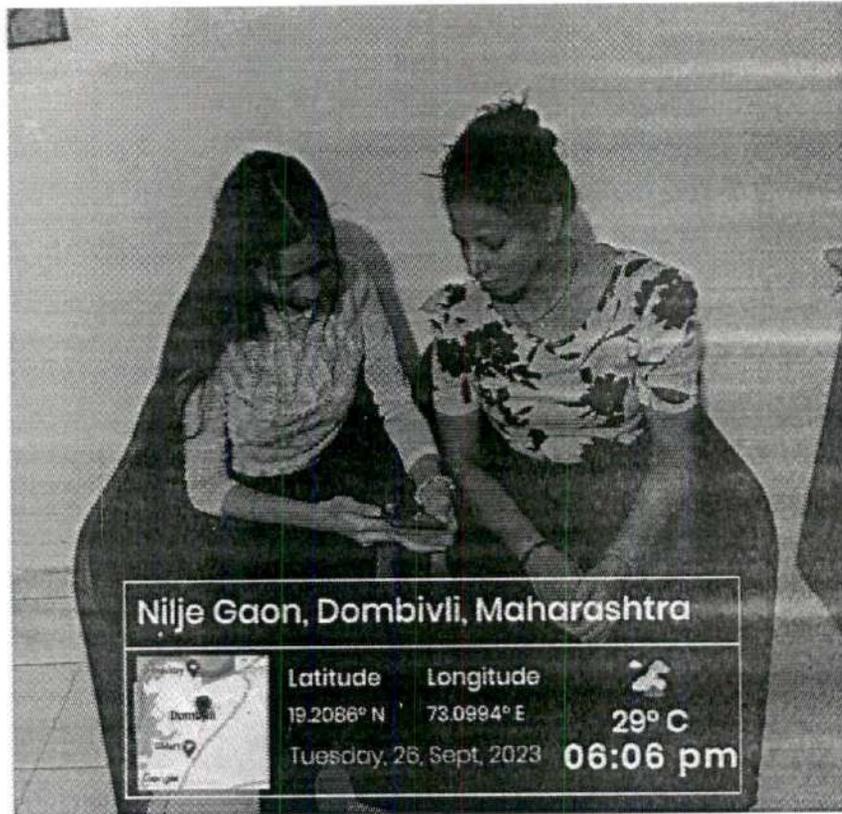

Outcome: Students observed consumption patterns of individuals on a daily and weekly basis. Students sensitised the consumers regarding their consumption of packed foods resulting in piles of waste being accumulated at the landfills. So that these people will think before making their next purchase. And also made them aware how they can compost their wet waste and use it as manure for their plants.

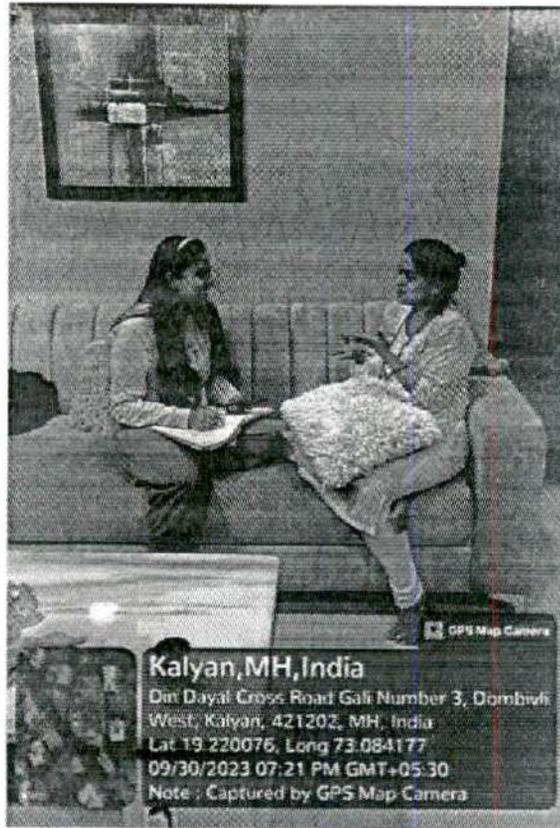

Beneficiaries: 102 male beneficiaries and 223 female beneficiaries i.e total 325 students conducted the survey from their neighbours and family members.

Eco Club

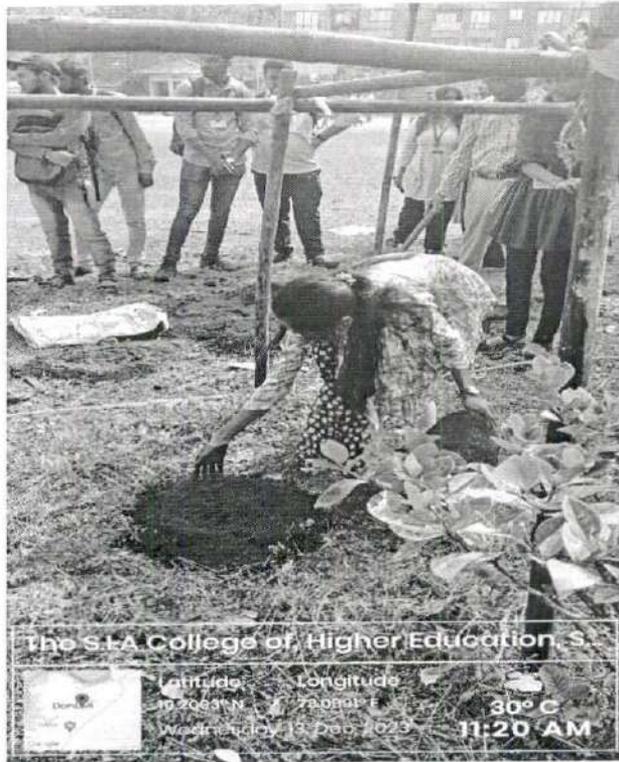

Report on Vegetable Garden Seedling Activity

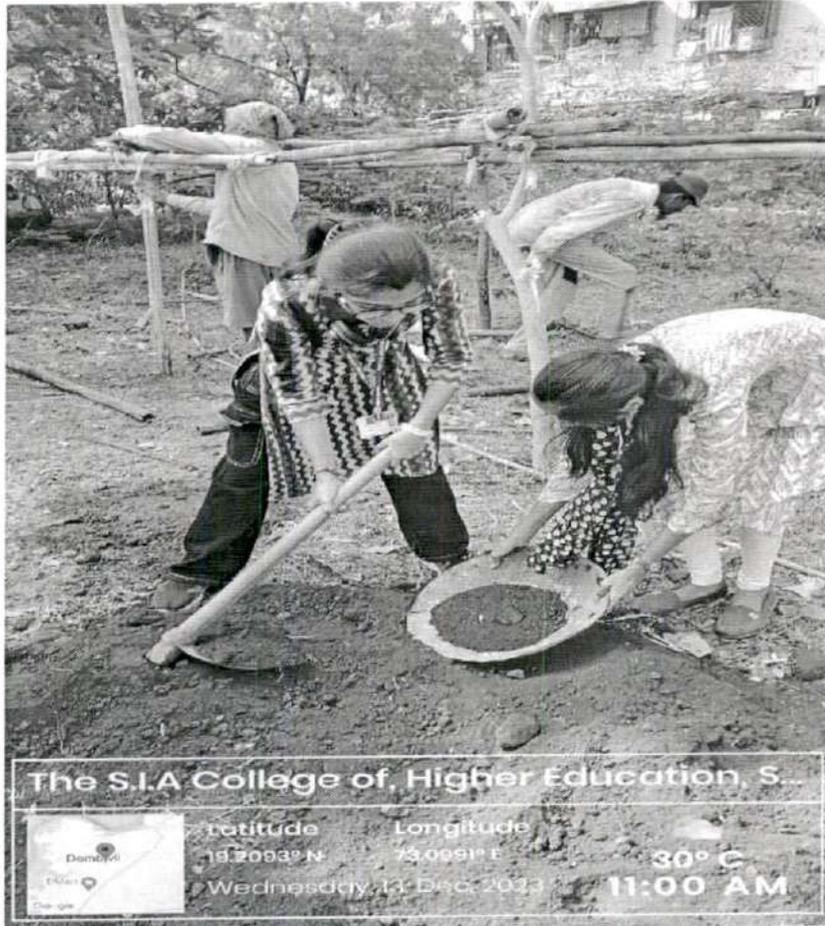

In an attempt to promote the on-campus Vegetable Gardening, the Eco club of the college in association with Hariyali (NGO) has conducted the Vegetable Gardening, Phase-I Seedling Activity on Wednesday, 13th December 2023 at 11.30 a.m. Representatives and plantation experts from Hariyali (NGO), Mr. Satish Joshi, oversaw the activity. Dr. Padmaja Arvind, the principal blessed and planted eight kinds of seeds including ridge gourd, sponge gourd, cucumber, Cucumis, pumpkin, snake gourd, bottle gourd, and bitter gourd. Mr. Joshi's advice and guidelines for vegetable gardening that is environmentally friendly followed by a seedling activity. He discussed the significance of vegetable gardening, its development and its benefits.

In India, vegetable gardening has long been a tradition dating back thousands of years. According to Mr. Joshi, vegetable gardening is a farming technique that uses crop residues, cow dung, compost, farm wastes, aquatic wastes and other biological materials along with some beneficial microbes like bio-fertilizers to release nutrients to crops for increased sustainable production in an environmentally friendly manner and pollution-free environment. This is done to cultivate the land and raise crops in a way that maintains the soil alive and in good health. Principal of the college, Dr. Padmaja Arvind discussed the goal of establishing on-campus vegetable gardening and how the eco-club should utilize this initiative for the benefit of the students and local community. In all 43 (25 female and 18 male) students were involved in the activity. Conveners and members of the eco-club were present at the time of seedling.

Visit to Medicinal plants exhibition Report

Date: 15-1-2024

Eco-Club students visited the Medicinal plants exhibition at Kalidas Auditorium, Mulund which was organised by Hariyali NGO with the aim of creating awareness to the students about the utilization and importance of growing medicinal plants at home on 12/01/2024 at 11 am.

Purpose of the activity:

- To create awareness of conservation and traditional uses of herbs and medicinal plants to students.
- To learn how to start composting at home.
- To learn how to reduce, reuse and recycle waste.

Outcome: Students explored nearly 160 medicinal plants, which are useful for small ailments like cough, cold, fever, swelling etc. Students came to know about the therapeutic properties of medical plants that are very useful in healing various diseases and how they can be used as substitutes for the synthetic, expensive medicines. They explored plants like:

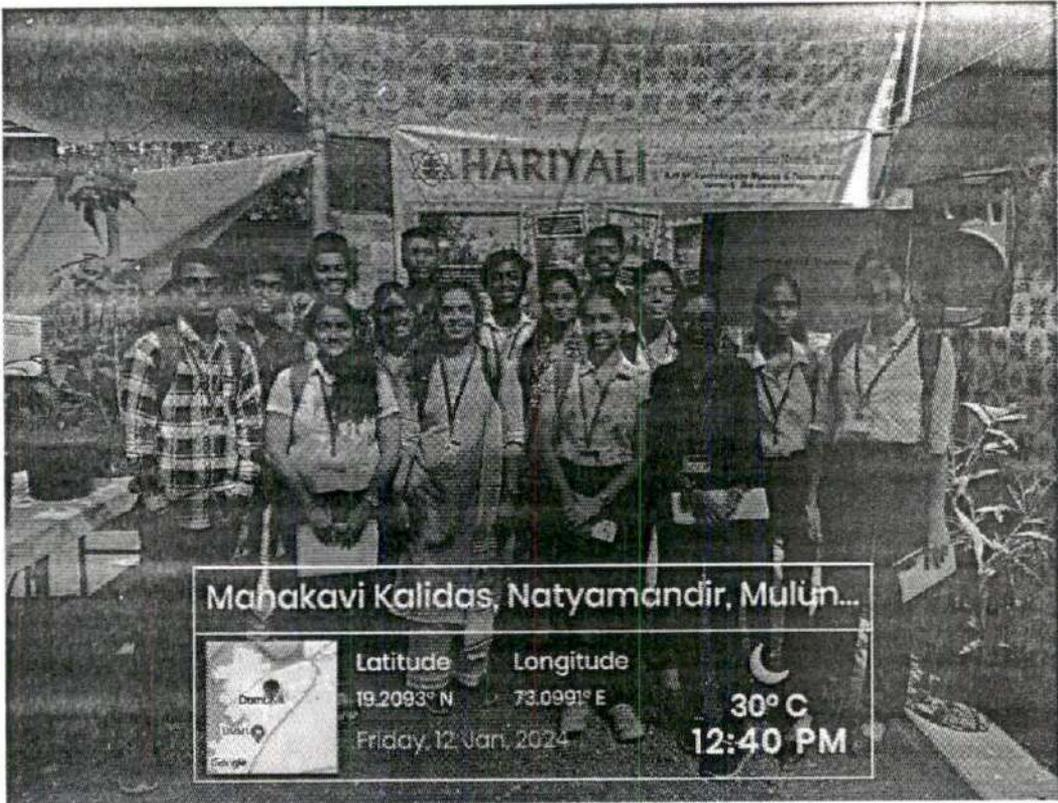

1. Mytragyna paviflora basically used for loose motion and for gargeling.
2. Long Pepper (Scindapsus Officinalis) used in fever, cough, cold, or arthritis
3. Sabah Snake Grass used in the treatment of dysentery and diabetes
4. Hiptage Madablota used in Arthritis and Asthma

Beneficiaries: 06 male beneficiaries and 08 female beneficiaries i.e total 14 students attended the visit

Report on Vruksha Bhandara

Date: 26/01/2024

The sustainable development strategy adopted across the globe recognizes the special contribution that trees make to improving our quality of life in urban areas. They provide privacy, soften the harsh lines of buildings and screen ugly structures and activities. In an urban setting, trees also add color and contrast. In addition to their aesthetic value, trees improve the environment in less evident ways as well. Because their leaves, branches, and trunks capture dust, smoke, and other pollutants from the atmosphere, trees serve as natural air filters that enhance the quality of the air we breathe. Four tonnes of dust can be removed from the atmosphere annually by just one hectare of beech woodland. Trees absorb carbon dioxide from the atmosphere, thereby mitigating the 'Greenhouse' effect, and releasing oxygen. Each year a mature tree produces enough oxygen for 10 people. Trees are also an effective sound barrier and can limit noise pollution. Recent research shows that trees also help reduce the stress of modern life. Trees in themselves benefit the environment and the landscape, but they are also an integral part of the ecosystem providing benefits to wildlife and biodiversity. Trees, especially older or veteran trees and those in groups or woodlands, provide habitats for native ground flora such as bluebells and fauna, particularly bats, red squirrels and invertebrates. The planting of trees and the care and preservation of mature trees can go a long way to making Trafford a great place to live, work learn and relax. The 'Greenhouse' effect is lessened by trees because they absorb carbon dioxide from the atmosphere. However, the area under forest is reducing due to various anthropogenic activities being conducted across the globe. Considering all these facts, the Eco-club of the college in association with Hariyali NGO has taken initiative to organize the sapling distribution activity called Vruksha Bhandara on 26th January 2024. In all 362 saplings including tamarind, mango, spiral flag (insulin), Lily, Tulasi, Lemon Grass, Hibiscus, Green Paradise (Had Jod) and palm along with manure were distributed to the citizens. Hon. Secretary Mr. Gopalakrishnan Sir, management members and trustees of the SIA College of Higher Education, Principal Dr. Padmaja Arvind, Hariyali, Dombivli Unit authority Mrs. Jaylxmi Madam and other authorities were present for the activity.

(Dr. Nitinkumar M. Patil)

Notice

Date: 02/01/2024

This is to inform all the students and staff members that **Eco-Club** in association with Department of **Management Studies (B.M.S.)** is organising **Electronic Waste Collection Drive** from **2nd January 2024 to 31st January 2024** the details of which are as follows:

Students must collect electronic waste items like old, discarded batteries, unusable mobile phones, chargers, headphones, keyboard, mouse, desktop, TV, camera, plastic wires, pen-drive, CDs, DVDs, etc from their family, friends, neighbours and bring to college and deposit at our e-waste collection point at ground floor between 7 am to 3 pm.

We are looking forward for a positive response towards conservation of environment.

Electronic Waste (e-waste) collection Drive Report

Name of the Event: Electronic Waste (e-waste) collection Drive Report

Organizing Agency: Eco-Club

Date: 2nd January 2024 to 31st January 2024

Time: 7 am to 4 pm.

Venue: Ground floor of The S.I.A College

Target audience: Entire college students

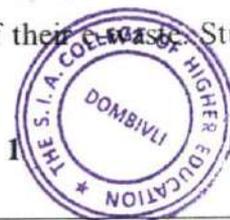

Teacher in charge: Dr. Shilpa Malani

Purpose of the activity: This drive aims to serve the community by:

- Planning a project as an outreach involving students collecting e-waste from various areas
- Sensitizing people towards the harmful effects of disposing of electronic waste indiscriminately

Activity: Students participated in this community outreach programme and collected e-waste from their neighbours, friends, relatives and family. After collecting e-waste, students brought collected e-waste at the e-waste collection point located at the ground floor where a large drop box was kept to accumulate all the e-waste items collected. Students brought e-waste discarded items like mobile phones, batteries, set up box, Wi-Fi routers, calculators, CD's, adapters, C.P.U, monitor, Laptops, extension cords, headphones, earphones, electric tools, remote, mouse, keyboard, and so on.

Outcome: Through this community outreach program, students became aware and shared with the community about the hazards of e-waste recycling by the unorganised sector and educated them about alternate methods of disposing of their e-waste. Students also made a handmade

banner of cotton cloth and painted it. They had spread awareness to other students about the harm effects of flex banner to the environment, whereas cotton cloth banner is environment friendly. Students also decorated the e-waste collection box with colours. Handmade banner made them to work together in groups and promotion of e-waste collection drive in the college developed leadership qualities among themselves and sensitivity towards the environment. E- Incarnation Recycling Pvt. Ltd. recycling company was invited to collect and dispose off e-waste in an eco-friendly manner and provide us with a destruction certificate.

Sr. No.	Year	Quantity of e-waste collected and recycled
1	2021-22	370 kgs
2	2022-23	762 kgs
3	2023-24	382 kgs

In April 2021-22 we collected 370 kgs of e-waste. In April 2022-23 e-waste collection was 762 kgs. Whereas in 2023-24 we collected and recycled 382 kgs of e-waste. This drive generated revenue of ₹6,838/- which was deposited in the college fund. S.I.A. Junior college also participated in this drive.

World Water Day Report

Date: 26-03-2024

Eco-Club celebrated 'World Water Day' on Friday 22nd March 2024. The Theme for World Water Day 2024 was 'Leveraging Water for Peace'.

Purpose of the activity:

- To increase the awareness and knowledge about management of water resources.

Activity: World Water Day was observed on 22nd March, 2024. On this occasion, students were reminded of the importance of freshwater and the need for sustainable water management techniques. Because currently water shortage remains a global concern. Students of The S.I.A. College of Higher Education took pledge for sustainable use, conservation and reuse of water.

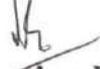

Outcome: Students were informed to use minimise, save and reuse water and also to spread this message to the entire community.

Beneficiaries:

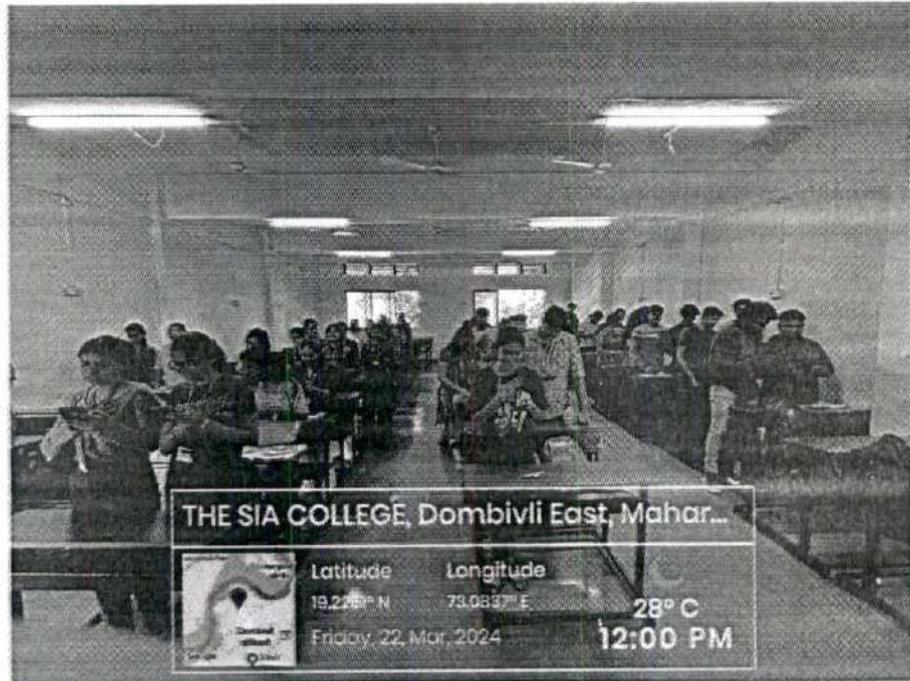

Male: 65 Female: 111 Total: 176

Minutes of the Eco Club Meeting held on 14th July 2023

- Eco club meeting was conducted on 14th July 2023 at 11.50 am in the Principal's cabin.
- Each member's elaborated planned activity was shared in writing with the Principal.
- After brainstorming, suggestions and advice received from the Principal, following is the modified version of Eco club activities which are finalised and will be executed in the academic year 2023-24.
- Principal mam suggested Dr. Nitin Kumar Patil to conduct Gardening activity in SIA College ground, apart from his planned activities as mentioned in tabular format. Dr. Nitin Patil was advised to utilise vacant land for gardening and enquire about ploughing cost of land, soil requirements etc. for gardening activity. She further advised him to tie up with NGO 'Hariyali' regarding this activity.
- Madam advised to remove the activity of Poster competition.
- Eco club will be collaborating with Departments of B.Com and BMS for cereal activity.

Modified version of elaborated Eco Club activities to be executed in 2023-24:-

Eco club Orientation Report

Date: 18-7-2023

Orientation session was organized for the new batches of First year students of all courses for the academic year 2023-24 on 14, 15 and 17th July 2023.

Objective of Eco Club orientation:

- To sensitize students towards a healthy ecosystem.
- To educate the students of what eco club is and how it works.

Presentation was given by Second year students who have worked previously in the eco club. Students shared their experiences of participating in various activities and development of leadership skills.

Second year students informed about the various activities to be conducted under eco club i.e e-waste collection mega drive, Best out of waste competition, Eco friendly Ganesh idol making workshop and various awareness sessions of environment will be conducted.

Outcome:

First year students were encouraged to take part actively in both preserving the environment and spreading awareness about the hazards of degradation of the environment to the community.

Notice

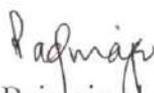

Date: 17/07/2023

This is to inform all the students that Eco-Club is organizing an activity to get garbage cleaned outside our college premises. Nature of this activity is to observe the waste lying outside our college premises, prepare reports and follow up with KDMC, Nagar Sevak and MLA.

All the interested students who want to utilise this opportunity and wish to learn procedure of civic administration are hereby informed to be present for the meeting on 19/7/2023 at 11.50 am in Room no 108.

To, Mr. Mahesh Patil
Dombivli (E)

Subject: Request to install Garbage bins at Sagarli, Dombivli

We want to draw your kind attention towards the prevailing unhygienic conditions in the locality of The SIA College of Higher Education, due to heaps of garbage lying on the streets of Sagarli, Dombivli.

We are attaching photos of the waste spilled on the road, which is causing harm to the health of our college community and residents, especially during the ongoing rainy season. We wish to inform you that a garbage collector truck comes daily to collect garbage between 7.30 am to 8.30 am. But once the waste is collected, again the public dumps their waste on the streets outside our college premises. Besides mosquitoes, flies and other disease carriers breed in these garbage dumps and pose a serious health hazard.

We request you to address this problem urgently and arrange to install a few garbage bins around our college premises and our locality. This will make it easier for the cleaning workers to collect the accumulated waste in an organized way.

We are also arranging a session on the topic 'Waste management for tomorrow' on 27th July 2023 at 11 am by Ms. Rashmi Joshi, an Environment Consultant. We invite you to this session to address our students on civic hygiene and public health.

For coordination and confirmation please reach out to the teacher incharge of this activity Dr. Shilpa Malani 9404179337 email id: bhagtanishilpa.k@gmail.com

महेश पाटील
डोंबिवली (पूर्व).

विषय: सागर्ली, डोंबिवली येथे कचराकुंड्या बसविण्याची विनंती

सागर्ली, डोंबिवलीच्या रस्त्यावर पडलेल्या कचऱ्याच्या ढिगाऱ्यांमुळे एसआयए उच्च शिक्षण महाविद्यालयाच्या परिसरातील प्रचलित अस्वच्छ परिस्थितीकडे आम्ही आपले लक्ष वेधून घेऊ इच्छितो.

आम्ही रस्त्यावर सांडलेल्या कचऱ्याचे फोटो जोडत आहोत, ज्यामुळे आमच्या महाविद्यालयीन समाजाच्या आणि रहिवाशांच्या आरोग्यास हानी होत आहे. विशेषतः चालू पावसाळ्यात. आम्ही तुम्हाला कळवू इच्छितो की, एक कचरा वेचणारा ट्रक दररोज सकाळी 7.30 ते 8.30 या वेळेत कचरा गोळा करण्यासाठी येतो. पण एकदा कचरा गोळा झाला की, पुन्हा जनता आपला कचरा कॉलेजच्या बाहेर रस्त्यावर टाकते. याशिवाय, या कचऱ्याच्या ढिगाऱ्यांमध्ये डास, माश्या आणि इतर रोग वाहकांची पैदास होते आणि आरोग्याला गंभीर धोका निर्माण होतो.

आम्ही तुम्हाला विनंती करतो की या समस्येचे त्वरित निराकरण करा आणि आमच्या महाविद्यालयाच्या परिसरात आणि आमच्या परिसरात काही कचराकुंड्या बसवण्याची व्यवस्था करा. यामुळे सफाई कर्मचाऱ्यांना साचलेला कचरा संघटित पद्धतीने उचलणे सोपे होणार आहे.

आम्ही 27 जुलै 2023 रोजी सकाळी 11 वाजता पर्यावरण सल्लागार सुश्री रश्मी जोशी यांच्याकडून 'उद्यासाठी कचरा व्यवस्थापन' या विषयावर एक सत्र आयोजित करत आहोत. नागरी स्वच्छता आणि सार्वजनिक आरोग्य या विषयावर आमच्या विद्यार्थ्यांना संबोधित करण्यासाठी आम्ही तुम्हाला या सत्रात आमंत्रित करतो.

समन्वय आणि पुष्टीकरणासाठी कृपया या उपक्रमाच्या प्रभारी शिक्षकांशी संपर्क साधा
