Dear Sir/Madam,

Greetings,

The Women Development Cell of our college is formed with an aim to promote well-being of all the female students and staff members and create a gender sensitized community within campus as well as in the society. The cell organises awareness programmes related to various issues such as gender sensitization, women rights, women empowerment, health & hygiene and safety etc.

Students can choose various areas such as Women in Business, Medicine, law, Education, Banking, Administrative services, defense, politics etc for writing articles.

- To facilitate knowledge sharing and creating awareness relating to the contribution of women in various fields.

We request you to send the articles in large numbers from your students and encourage students to share their views and ideas.

The details are attached herewith.

Thank you.

Men Against Violence and Abuse (MAVA),
Mumbai.

Dear Sir,

On behalf of Women Development Cell (WDC) of The S.I.A College of Higher Education, we are very much thankful for accepting our invitation and conducting "POSH Act Training" for the students and Faculty members by your team members Ms. Hazel Lobo, Mr. Altamash Khan and Mr. Pravin Thote on 9th, 11th and 12th December, 2019.

The Training which provided a holistic socio-legal perspective on the existing law on prevention of sexual harassment at workplace was found to be very useful and illuminating. The presentation made by them using slides and case-studies was very engaging and insightful.

Our college students also found the performance of street-play 'Saanche mein Duniya' by your trained student leaders on the theme of breaking gender binaries very interesting and educative.

Thanking you,

Regards,

Convenor
