Subject: Mental Health Awareness with youth

Dear Sir/Ma'am,

Anubhuti Charitable Trust is a registered organization, working with youth and women for their overall social, economic, cultural and political development. This is done through life skills training, gender justice training, legal education, leadership training, health education, rights education, resource mobilization, career & education counselling through activities such as workshops, sessions, campaigns, camps, film screenings, educational trips, sports, awareness drives and so on. As part of this, the organization has been working closely with colleges in Mumbai, Kalyan-Dombivli and Ulhasnagar regions.

We are approaching your institute to conduct awareness about '**Mental Health and Well-being**' for your students. As we all know, youth go through lot of mental distress during their studies and our education system is not fully equipped to provide the support required. This project by our Founder Ms. Deepa Pawar has been selected as one of 26 **Goalkeepers Youth Action Accelerators** from around the world - by **CIVICUS World Alliance** which has partners such as **Action for Sustainable Development, Bill and Melinda Gates Foundation, George W. Bush Institute, Obama Foundation, and Restless Development.** We shall use fun and interactive methods in this training. **We request you to kindly provide 80-100 students (at least 50% female) for 2 hours for the same.** A date in June or first week of July 2019 will be much appreciated. The training shall definitely prove to be beneficial for your college and actual mental well-being and performance of your students.

Thanking you,  
Sincerely,

  
Amrita De,  
Project Coordinator

Dear Sir,

On behalf of Women Development Cell (WDC) of The S.I.A College of Higher Education, we are very much thankful for accepting our invitation and conducting "POSH Act Training" for the students and Faculty members by your team members Ms. Hazel Lobo, Mr. Altamash Khan and Mr. Pravin Thote on 9<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> December, 2019.

The Training which provided a holistic socio-legal perspective on the existing law on prevention of sexual harassment at workplace was found to be very useful and illuminating. The presentation made by them using slides and case-studies was very engaging and insightful.

Our college students also found the performance of street-play 'Saanche mein Duniya' by your trained student leaders on the theme of breaking gender binaries very interesting and educative.

Thanking you,

Regards,

Convenor

## Constitutional Literacy Inter-Collegiate Competitive Exam

---

26th January - the Indian Republic Day is a day of national significance - a day when all of us citizens of India have a stake, whether direct or indirect, in the formation of our country's systems and decision-making processes. The prime responsibility of keeping this republic nature of our country truly alive and unhindered, certainly falls on our youth. An important backbone to this republic status of our country is our Indian Constitution. It is true that in today's fast paced lifestyle, youth have little time to give to our democracy and to the fundamental process of building society. It is also true that the youth *must* gain constitutional literacy; with which they can develop at least a basic understanding of the Indian Constitution and be aware citizens of India to positively contribute in the democratic construction of our Indian society. With this objective in mind, Anubhuti Trust is organizing this '**Constitutional Literacy Inter-Collegiate Competitive Exam**'.

- All participants of the Exam shall receive participation certificates.
- Attractive cash prizes shall be won by 1st: Rs. 15000/-, 2nd: Rs. 10000/- and 3rd: Rs. 6000/- ranking students. They shall be honoured for their efforts by well-known personalities of social standing.

Parents, teachers and other supporters may surely participate in the prize distribution ceremony by giving prior notice. This is an effort to make youth literate about our Constitution, through which there will be generated an interest to further study the Constitution. This shall serve as a way to make our youth sensitive in a constructive and action-oriented way towards our Rights, Responsibilities, Constitutional Values and Democratic Principles. **Colleges and teachers / professors have been at the forefront of shaping generations of youth since and before Independence. No one can refute the noble fact that it is the teachers who have always worked towards making their students literate as citizens.** Therefore, we are sure that you as teachers will positively support this unique effort and take the initiative to ensure that your students take part in the Constitution Literacy Exam.
