The library is the only centralized location where new and emerging information technologies can be combined with traditional knowledge resources in a user focused service rich environment that supports today's social and educational patterns of learning, teaching and research.

To create interest in various diversified field through debate and discussion, we are initiated to create a Riddlers- Library Club. This year 40 students enrolled their name is Library Club. ## Report of Riddlers-Library Club Activities of 2020-21

A Library is a treasure house of knowledge. A well-stocked library is an asset to the educational institution. Because of Pandemic we could not conduct any offline activities. In this regard we are conducted online activities. On behalf of National Library conducted E Quiz from 12<sup>th</sup> Aug to 16<sup>th</sup> Aug 2020. Total 418 students participated and issued E certificate for all the participants.

As the embodiment of knowledge and wisdom, Goddess Saraswati is associated to education and Library, we are conducted Navaratri Pooja from Oct 17<sup>th</sup> to Oct 25<sup>th</sup> 2020 by calling limited number of students in social distancing.

To inculcate reading habits in students we conducted E Quiz on book "The Life of Shivaji Maharaj -Founder of the Maratha Empire" and "The Immortals of Mehula", where 74 and 25 students participated and received the Electronic participation certificates.
