**Report of Orientation Sessions for Higher Education for academic year 2025-26**

The Placement cell of the institution organized a series of orientation sessions during the academic year 2025–26 to guide students in making informed decisions about higher education and career pathways. These sessions aimed to provide exposure to various academic opportunities, professional courses, and emerging fields, both in India and abroad.

Session	Collaboration	Participants
CET-CAT Guidance	IBS	168
Higher Education in US	USIS	88
CMA Guidance (SY)	ICMAI	102
CMA Guidance (FY)	ICMAI	164
IBSAT Orientation	IBS	114
AI Session	Magic Bus India	205
Data Science Orientation	Imarticus	99
UI/UX Design	Splash Screen	59
Sponsor Session	ICA	60

The orientation sessions witnessed enthusiastic participation from students across different streams. These sessions covered a wide range of topics, including entrance exam preparation (CET, CAT, IBSAT), professional certifications (CMA), international education opportunities, and emerging career domains such as Artificial Intelligence, Data Science, and UI/UX design.

The sessions conducted in collaboration with reputed organizations and industry partners provided students with valuable insights into academic progression and career prospects. The *AI Session* by Magic Bus India and the *Data Science Orientation* by Imarticus were particularly impactful in creating awareness about future-ready skills and industry trends.

Additionally, sessions on CMA guidance and IBSAT orientation helped students understand structured career pathways in finance and management, while the session on higher education in the US broadened their global perspective.
