Report of Short- Term Certificate Courses for academic year 2025-26

The Placement cell of the institution conducted several short-term certificate courses during the academic year 2025–26 with the objective of enhancing students’ employability, technical competencies, and industry readiness. These courses were designed in collaboration with reputed organizations and industry partners to provide practical knowledge and skill-based training aligned with current market demands.

Course	Offered By	Participants
Diploma in Business & Finance	Tech Mahindra Foundation	43
BFSI Certification	TNS Foundation	30
AI for Business (SY)	IBM–Magic Bus	370
AI for Business (TYIT)	IBM–Magic Bus	80
Data Science Certification	Imarticus	45
Communication Skills (FY)	Skill Connect	473
Campus to Corporate (TY)	Skill Connect	550

The short-term certificate courses received an overwhelming response from students across various streams. The programs focused on both technical and soft skill development, ensuring a balanced approach toward holistic learning.

Courses such as *AI for Business* and *Data Science Certification* played a crucial role in equipping students with future-ready digital and analytical skills. Meanwhile, programs like *Communication Skills* and *Campus to Corporate* significantly contributed to enhancing students’ professional readiness, confidence, and employability.

Collaborations with esteemed organizations such as Tech Mahindra Foundation, IBM–Magic Bus, Imarticus, and Skill Connect ensured that the curriculum was industry-relevant and practical in nature.
