Clean Campus Initiatives

Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular cleanliness drives.

Activities under 'Swachh Bharat Abhiyan' will be a key component of all the community work being done by NSS.

Events such as poster and slogan competitions, essay writing, spoken word poetry, speeches, skits, rally on 'Swachh Bharat' will be organised.

Conduct workshops on the 3Rs: Reduce, reusing and recycling of waste.

Commit to manage waste and maintain clean campus especially during college events.

Landscaping Initiatives

The campus landscape, like its buildings, can be seen as the physical embodiment of a college's values. It is a vital part of the life of a campus, providing space for study, play, outdoor events, relaxation and aesthetic appreciation. Green campus landscapes also manage runoff, help recharge groundwater, and clean and cool the air on campus. The landscape serves as a visual representation of the campus community's commitment to sustainability. As campus landscapes are so visible and accessible, landscaping initiatives are a great way to build awareness around the environment.

Organizing Annual Tree Plantation Drives

Encouraging student societies to hold tree planting events

Clean Air Initiatives We encourage our students and staff to use public transportation. We encourage carpooling to college, an activity that will control air pollution and strengthen social interaction. The entry of automobiles inside the campus is restricted to discourage the use of private vehicles.
